

CAREER & PLACEMENT CELL
DEVA MATHA COLLEGE KURAVILANGAD
REPORT 2023-2024

The Career & Placement cell was set up in the college in 2007. Throughout these years, it has undertaken initiatives such as organizing career-oriented seminars, personality development programmes, training programs, placement readiness workshops etc. for the students. Recruitment drives were being held in this College under the coordination of the Career and Placement Cell. In addition, the Career and Placement Cell provides information to students about the number of career opportunities and recruitment drives conducted across Kerala. For this purpose, the cell is in constant touch with various HR consultants, Career Cells of other colleges and recruitment agencies. Numerous students have attended the same and got placement offers.

- **Vision: To inspire younger minds to ignite future hopes.**
- **Mission: Enhancing job readiness of students through imparting employability skills and facilitating their journey in pursuit of career goals.**
- **Motto: Pursue your Passion; Defend your Dreams; Gain your Goals.**

Training on Personality Development & Grooming

In association with Hindustan Unilever Limited, the C&P Cell organized a training programme on “Personality Development & Grooming” on Wednesday, September 20, 2023, from 2.15- 3.45 PM at the E-Learning Centre of the College. The programme was exclusively for the women students of the College. Selected students from various PG and UG classes attended the training programme. Ms. Anjana Bhanu, Personality Development Trainer, Hindustan Unilever Ltd., was the resource person. Out of her rich and immense experience, she could share her insights and exposure with the students and inspire them to prepare themselves for grooming their personalities to become women leaders.

Invited Talk on Internship in MNCs

On October 16, 2023, C&P Cell organized an invited talk on internships in multinational companies (MNCs) specifically for undergraduate students. The session, held from 11:30 AM to 12:30 PM, featured Mr. John from Invisor Consulting, Infopark, Cochin, as the guest speaker. During the session, Mr John provided valuable insights into the process of securing internships at leading MNCs, highlighting the skills and qualifications sought by top employers.

The event aimed to prepare UG students for the competitive job market by offering practical advice on enhancing their resumes, acing internship interviews, and making the most of their internship experiences. Mr. John also discussed the benefits of interning at MNCs, such as gaining international exposure, working on cutting-edge projects, and building a global professional network. The session was well-received by the students, who left with a better understanding of how to navigate the internship application process and the importance of internships in shaping their future careers.

Seminar on Accounting Careers

On October 17, 2023, the Career & Placement Cell and PG Department of Commerce at Deva Matha College, Kuravilangad, in association with Finishing School India, organized a seminar focused on building accounting careers through the National Skill Development Corporation (NSDC). The event, held from 10:30 AM to 11:30 AM at the E-Learning Centre of Deva Matha College, featured Sreejith PR, a career counsellor from Finishing School India, as the keynote speaker. Anu P. Mathew, TPO and Assistant

Professor in Commerce was the coordinator. This seminar aimed to provide B. Com students with insights and guidance on leveraging NSDC resources to enhance their career prospects in the accounting field. The relevance of this seminar is underscored by the growing demand for skilled professionals in the accounting sector, and the NSDC's role in equipping students with industry-specific skills is pivotal. By participating, students gained valuable knowledge on how to align their academic pursuits with practical skill development, thereby improving their employability and readiness for the job market.

Recruitment Drive

On November 28, 2023, the Career and Placement Cell organized a recruitment drive exclusively for its students. The event, held at 1:00 PM, aimed to place students in various managerial and officer roles at renowned financial institutions such as Manappuram Finance Ltd, Manappuram Home Finance, Manappuram Assets Finance, Maben Nidhi Ltd, MAIBRO, and Asirvad Microfinance Ltd. The job roles offered included Assistant Manager, Junior Officer, and Manager, with qualifications ranging from M.Sc in Mathematics to MA in Econometrics, and salaries ranging from Rs. 23,000 to Rs. 35,000 per month.

The recruitment drive was a significant success, with six students securing positions in the manager or officer cadre, boasting an average salary of CTC above Rs. 26,000 per month. This outcome underscores the college's career preparation efforts' effectiveness

and commitment to student employability. The students were required to carry their resumes, all relevant certificates, and ID proof to participate in the drive.

Job Aspirants Training Programme

On January 16 and 17, 2024, the Career and Placement Cell, in an IQAC initiative, conducted a Job Aspirants Training Programme designed specifically for final-year PG students. This event, starting at 9:30 AM each day, aimed to equip students with essential skills in reasoning aptitude and quantitative aptitude, critical for succeeding in job placements. The resource persons for the training programme were Mr. M.V.Polachan, Rtd. Deputy Chief, Sanskrit University, Kalady for Reasoning Aptitude and Prof. Edwin Thomas (Rtd), Department of Mathematics, St. Albert's College, Cochin for Quantitative Aptitude.

The relevance of this programme is highlighted by the increasing competitiveness in the job market, where employers seek candidates with strong analytical and problem-solving

abilities. By focusing on reasoning and quantitative skills, the training prepared students to meet these demands effectively. Moreover, the programme underscored the college's proactive approach to bridging the gap between academic learning and industry requirements, ensuring that graduates are well-prepared to enter the workforce with confidence.

Workshop on Connect Career to Campus (CCC)

On January 12, 2024, the Career and Placement Cell, in collaboration with the Kerala Knowledge Economy Mission, hosted a workshop under the Connect Career to Campus (CCC) initiative, a Kerala Government program aimed at enhancing employment readiness and placement assistance for undergraduate students. The event featured a talk

by Mr. Jinu George, who highlighted the various opportunities available to students through the CCC initiative.

Mr. George's session focused on the importance of employment readiness, providing students with insights into industry expectations and the skills required to meet them. He also introduced the DWMS (Digital Workforce Management System) portal, urging all UG students to register and utilize its resources for placement assistance. The event was instrumental in guiding students on how to effectively prepare for their careers and take advantage of government-supported initiatives to enhance their employability.

Finishing School Programme

In April 2024, the Career and Placement Cell and PG Department of Commerce, in association with the Kerala Knowledge Economy Mission (KKEM), successfully conducted a comprehensive three-day finishing school programme for current final-year UG and PG students. Held from April 16th to April 18th, the programme saw 37 enthusiastic participants and aimed to equip them with essential skills for their transition into the professional world. The curriculum covered crucial areas such as resume building, interview skills, group discussions (GDs), and mock interviews, all facilitated by Mr. Jossy Varkey, an esteemed corporate trainer.

The programme received overwhelmingly positive feedback from the participants, who appreciated the practical and interactive sessions. The focus on real-world applications and skill-building exercises provided the students with a deeper understanding of industry expectations and enhanced their readiness for the job market. Certificates of completion were awarded, marking their readiness to embark on their professional journeys with confidence and competence. This initiative highlighted the college's commitment to student employability and its proactive approach to bridging the gap between academic learning and industry demands.
