

Title of the program

Academic year	:2025-26
Date	:5 March 2025
Collaborating agency inside or outside the institute	:Nil
Beneficiaries	: Final Year B.Sc. Physics Students
Name of the coordinator/coordinators	:Dr. Tina Sebastian
Number of participants (Teachers and students separately)	:17 students

A brief report on program

The Department of Physics, Deva Matha College, Kuravilangad, successfully organized a Finishing School Programme for the final year B.Sc. Physics students on 5 March 2025, from 9.30 a.m. to 3.30 p.m. The programme was designed to enhance students' employability skills and prepare them for academic and professional interviews.

The programme focused on key areas essential for career readiness, including Interview Training, Group Discussion, CV Making, and Mock Interviews. Through interactive sessions and hands-on activities, students were exposed to real-world recruitment scenarios and professional expectations.

The sessions were handled by a team of experienced resource persons:

- Dr. Anu P. Mathew, Assistant Professor, Department of Commerce, Deva Matha College, Kuravilangad
- Mr. Jacob Cyriac, DevOps Tech Lead, Wipro Ltd.
- Mr. Justin Jose, Assistant Professor, Department of Zoology, Deva Matha College, Kuravilangad
- Mr. Alphin Chacko, Assistant Professor, Department of English, Deva Matha College, Kuravilangad

The resource persons provided valuable insights on effective communication skills, professional etiquette, resume preparation, and interview strategies. The mock interview sessions helped students identify their strengths and areas for improvement, while group discussions improved their confidence, teamwork, and articulation skills.

The programme witnessed enthusiastic participation from the students, who found the sessions highly informative and beneficial. Feedback received indicated that the programme significantly boosted their confidence and preparedness for future academic and career opportunities. The Finishing School Programme was a meaningful initiative that effectively bridged the gap between academic learning and professional readiness, contributing to the holistic development of the students.
